Potential Students-

Welcome to the 13-week Medical Assistant, and 4–7-weeks Phlebotomy program. The Healthcare Career Academy has one of the lowest tuition rates in the city and is located in Williamson County.

Mission Statement-

Healthcare Career Academy mission is to educate and train entry-level Medical Assistant, Phlebotomist, and EKG technician with the knowledge and skills for career entry in the healthcare field.

Our Vision-

Healthcare Career Academy is committed to helping every student succeed. By providing skills you need for an exciting and new Medical Assistant, Phlebotomist and EKG technician career! Fast track courses blend lectures and lab work to provide students with a solid knowledge base on a variety of venipuncture techniques.

CORE VALUES-

- Accountability
- Noteworthy
- New beginnings
- Integrity
- Each on teach one.

Warm regards,

Cynthia A. Jones
